```

After pressing ENTER, the screen below is displayed. To display that “Status” of previous backups, select Menu Option 2 and press the ENTER key.

Menu Option 2 presents the display below. Here you see the objects that were selected and the date they were last backed-up. If you press Function Key F22, the “Backup History” screen is displayed. See next page.

“Backup History”

Session B - [24 x 80]

File Edit View Communication Actions Window Help

Display Backup History

REGAL400
04/13/10 13:30:05

Type options below, then press Enter.
5=Display backup details

| Option | Backup Date | Backup Options | Tape Set | Changes Only |
|--------|-------------|----------------|----------|--------------|
| _ | 04/13/10 | Daily | *ANY | No |

F1=Help F3=Exit F12=Cancel
